ABOUT ME

I am a dedicated and detail-oriented Computer Science graduate from Mekedela Amba University, where I earned a CGPA of 3.91 and achieved 78% on my exit exam. I have a passion for utilizing technology to address real-world challenges. With strong skills in web development and video editing, I am eager to contribute to a dynamic team, enhance operational efficiency, and support company growth through innovative solutions and proactive problem-solving.

EXPERIENCE

- Designed and built responsive websites using HTML, CSS, JavaScript, and React.
- Video Editor & Content Creator.

ADDITIONAL INFORMATION

- Strong commitment to contributing to company success and economic growth.
- Quick learner with a proactive approach to identifying and resolving challenges.
- Prepared to apply technical and creative skills to any role, ensuring high-quality results and efficient task management.
